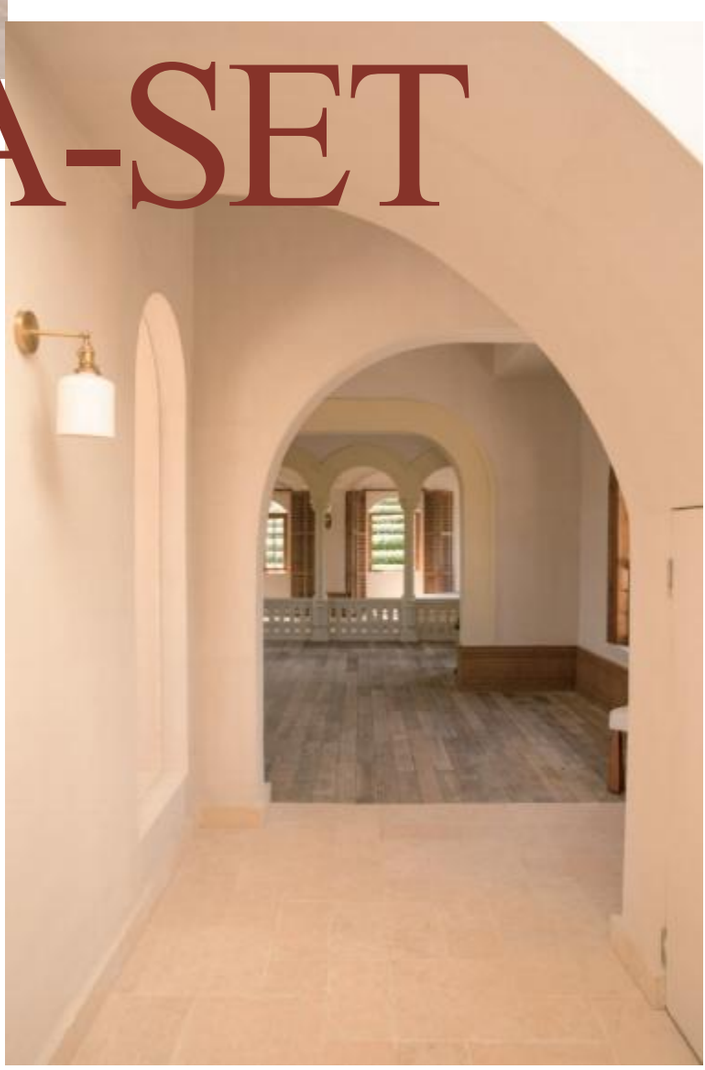
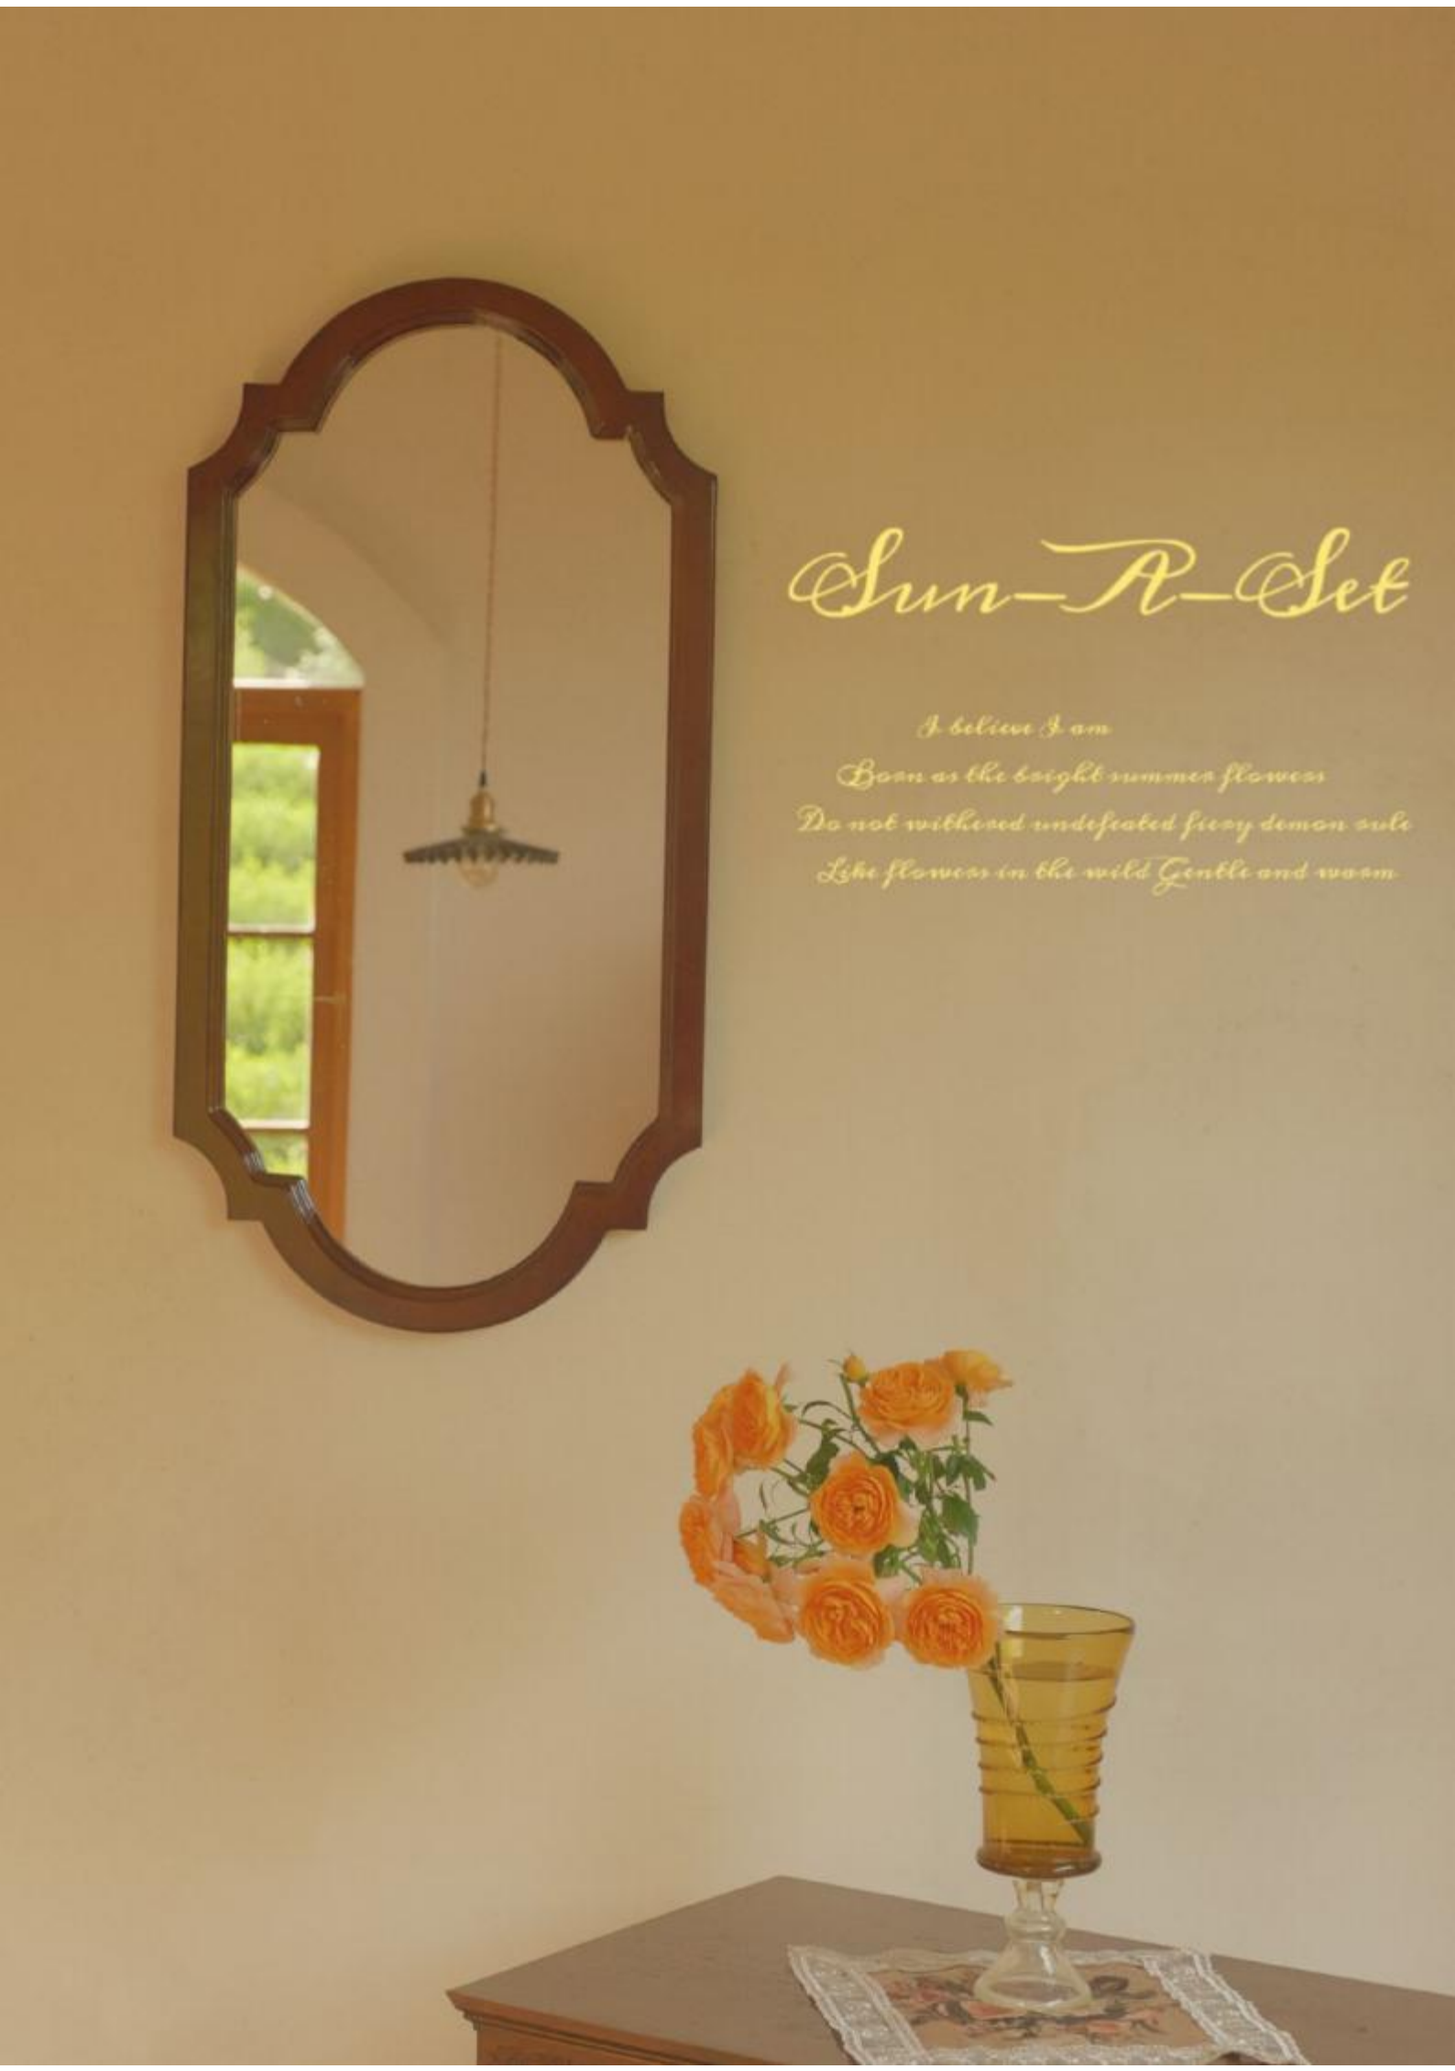
季节不同,莫奈之窗的每个月花都在更改

Avec Le Tournesol

SUN-A-SET



And the secret garden bloomed
and bloomed
and every morning
revealed new miracles



Sun-A-Set
I believe I am
Born as the bright summer flowers
Do not withered undefeated fiery demon sule
Like flowers in the wild Gentle and warm

SUN-A-SET

And the secretgarden bloomed
and bloomed

and every morning
revealed new miracles
