化 妆 间

A bright, modern living room with a vaulted ceiling. The room features a large, multi-paned window at the top of the vault and a row of three large windows below it, all with white curtains. The floor is light wood. In the center, there is a circular arrangement of four white, rounded armchairs surrounding a low, white, circular coffee table. To the left, there is a fireplace with a wooden mantel, a framed picture, and a floor lamp with a large, conical shade. To the right, there is a small potted plant and a metal serving cart. The overall atmosphere is clean, bright, and minimalist.
