

—— 外景 ——

Photography is only a lonely past process, but enjoy it.

And if the golden sun, Should cease to shine its light,
Just one smile from you, Would make my whole world bright.

Without you? I'd be a soul without a purpose.

Forgive me for wanting to be with you when I grow old。

—— 城堡 1F ——

For years fleet away with the wings of the dove

Love alters not with his brief hours and weeks

—— 城堡 2F ——

And the sunlight clasps the earth, And the moonbeams kiss the sea

—— 城堡 3F ——

O my love is like a red, red rose

That's newly sprung in June

O my love is like the melody

That's sweetly played in tune

When age chills the blood, when our pleasures are past

For years fleet away with the wings of the dove

The dearest remembrance will still be the last

Our sweetest memorial the first kiss of love

切尔莎小屋

*Sun for morning, moon for night
And you forever.*

With the earth and the sky and the water,

remade, like a casket of gold

And if the golden sun, Should cease to shine its light,

Just one smile from you, Would make my whole world bright.

Photography is only a lonely past process, but enjoy it.

For my dreams of your image that blossoms, a rose in the deeps of my heart.
